About the Organisation

The Victorian Aboriginal Health Service (VAHS) was established in 1973 to address the specific medical needs of Victorian Aboriginal communities. The organisation has expanded steadily over the past 40 years to provide a comprehensive range of medical, dental and social services for our community.

As well as providing a variety of medical services, VAHS is committed to supporting the well-being of the community through contributions to community events and activities. VAHS is also committed to assisting research into the ongoing needs of the community.

VAHS is a child safe organisation., committed to child safety and wellbeing, and recruits staff in accordance with the Child Safe Standards Victoria.

About the Opportunity

The role is responsible for actively case managing clients referred to the service, including the provision of intensive support and client referral to identified programs This role also includes participating in community-based programs targeted to supporting positive outcomes for Aboriginal men.
